# OSDT – Africa

## Organic Sector Development Training 2011

Be part of the development  
of organic agriculture

OSDT will this time be hosted in Zambia

Place: In Service Training Trust, Lusaka, Zambia  
Duration: 21<sup>st</sup> of March – 1<sup>st</sup> of April 2011  
Last day of application: 30<sup>th</sup> of November 2010

**Grolink**  
Serving the organic world

## **Target group**

The target group are key persons who are seriously interested in developing of organic projects or programmes, supporting structures or policies in the region. Participants come from governmental institutions, exporters, extension services or organic sector organisations.

The training will be conducted in English.

## **Costs**

The training fee is 2,100 USD per participant to be paid in advance. That includes training material, accommodation in shared rooms and food.

Participants cover their own insurance and travel cost to and from the venue. (No daily allowance).

## **Content**

- Organic Agriculture production
- Framework of organic agriculture
- Markets for organic products
- Standards, certification and regulation
- How to set up an organic project

The participant will be exposed to the current forefront for development of organic agriculture.

During the training the participants will work with a plan for an organic project. The participants are expected to implement the plan after the training.

The training will give ample opportunity for interaction and sharing of experiences between the participants.

# Grolink

Serving the organic world

The training is managed by Grolink in collaboration with OPPAZ and GOA. Grolink is the international consultancy company with expertise in organic agriculture. Grolink has a wide experience of international training programmes as well as management of organic projects worldwide. Grolink has, since 1999, successfully conducted the Organic Agriculture Development – OAD for Sida.

The OSDT training programme, based on OAD, has been given in Tanzania, Uganda and Zambia since 2003.

OPPAZ

Organic Producers and  
Processors Association of Zambia

The Organic Producers and Processors Association of Zambia – OPPAZ is Zambia's leading organic association, with a good track record of developing the organic sector.

Grow Organic Africa (GOA) is an association of organic professionals from various parts of Africa.
